

LCD POSTER

01

Stylish

Simple body lines, slim fuselage, and the sense of unforgettable technology.

Ultra-thin body

02

Solid Body

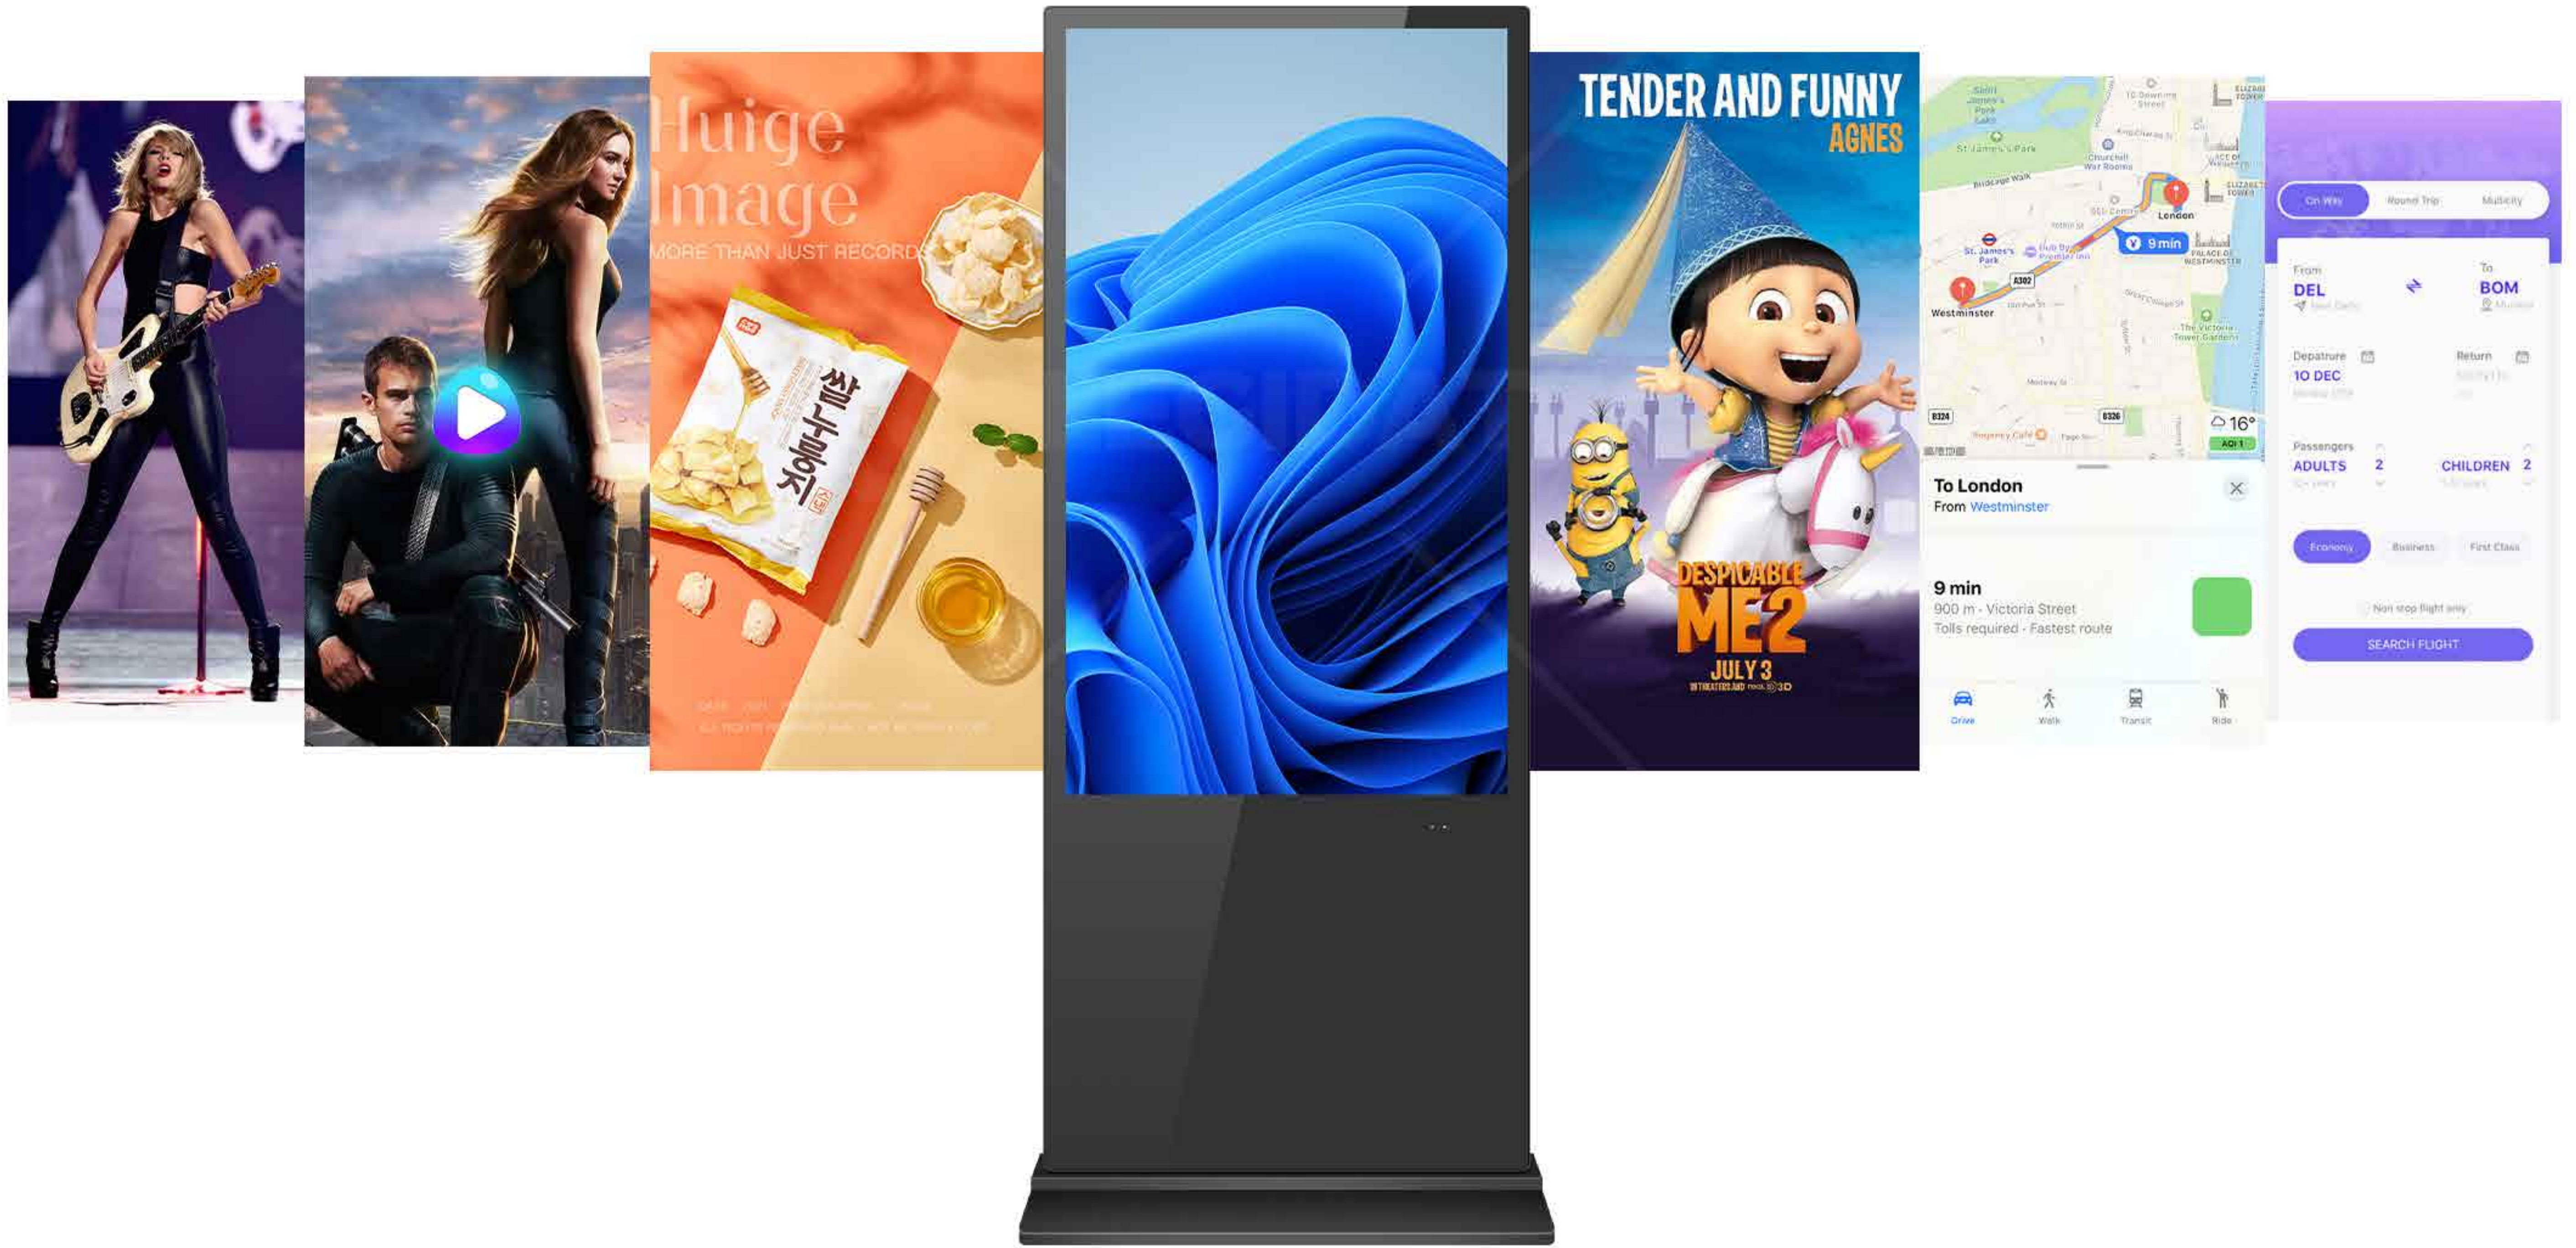

Aluminum profiles, cold-rolled steel bases, tempered glass panel protection, interface anti-theft design.

Cold-rolled steel back shell

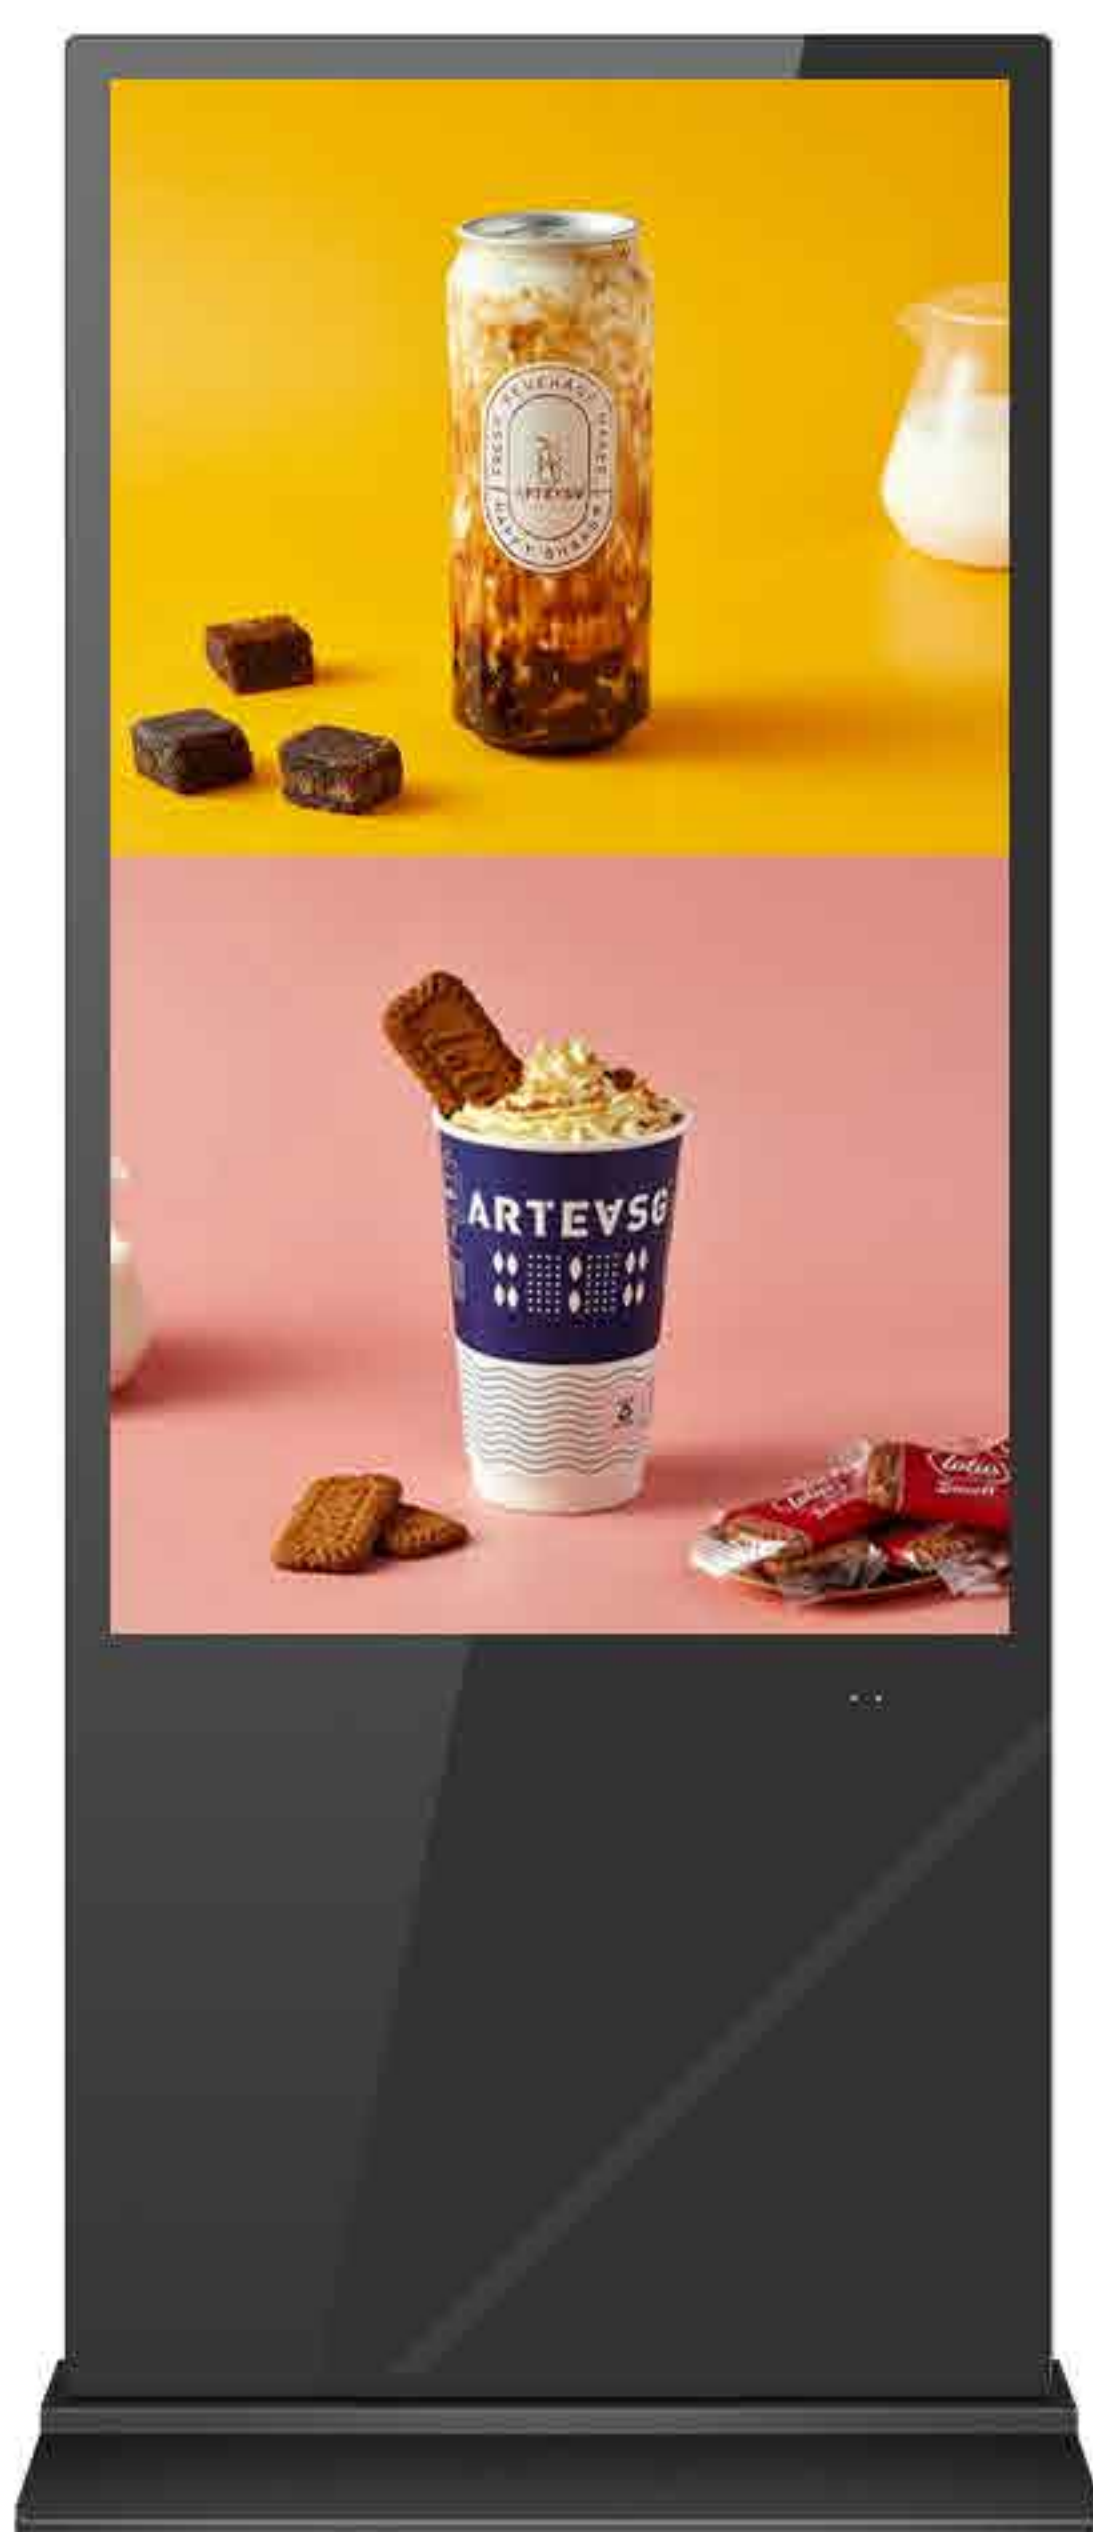

O3 Powerful

Play Video or Pictures for adverts/Interactive buisness inquiries/Information Browsing etc

O4 Smart Split Screen

Various Split-screen Playback, Picture Video Music Can Be Played Simultaneously
Picture, Video and Music

One-screen

Two-point screen

Three-point screen

Four-screen

Five-point screen

More Solutions

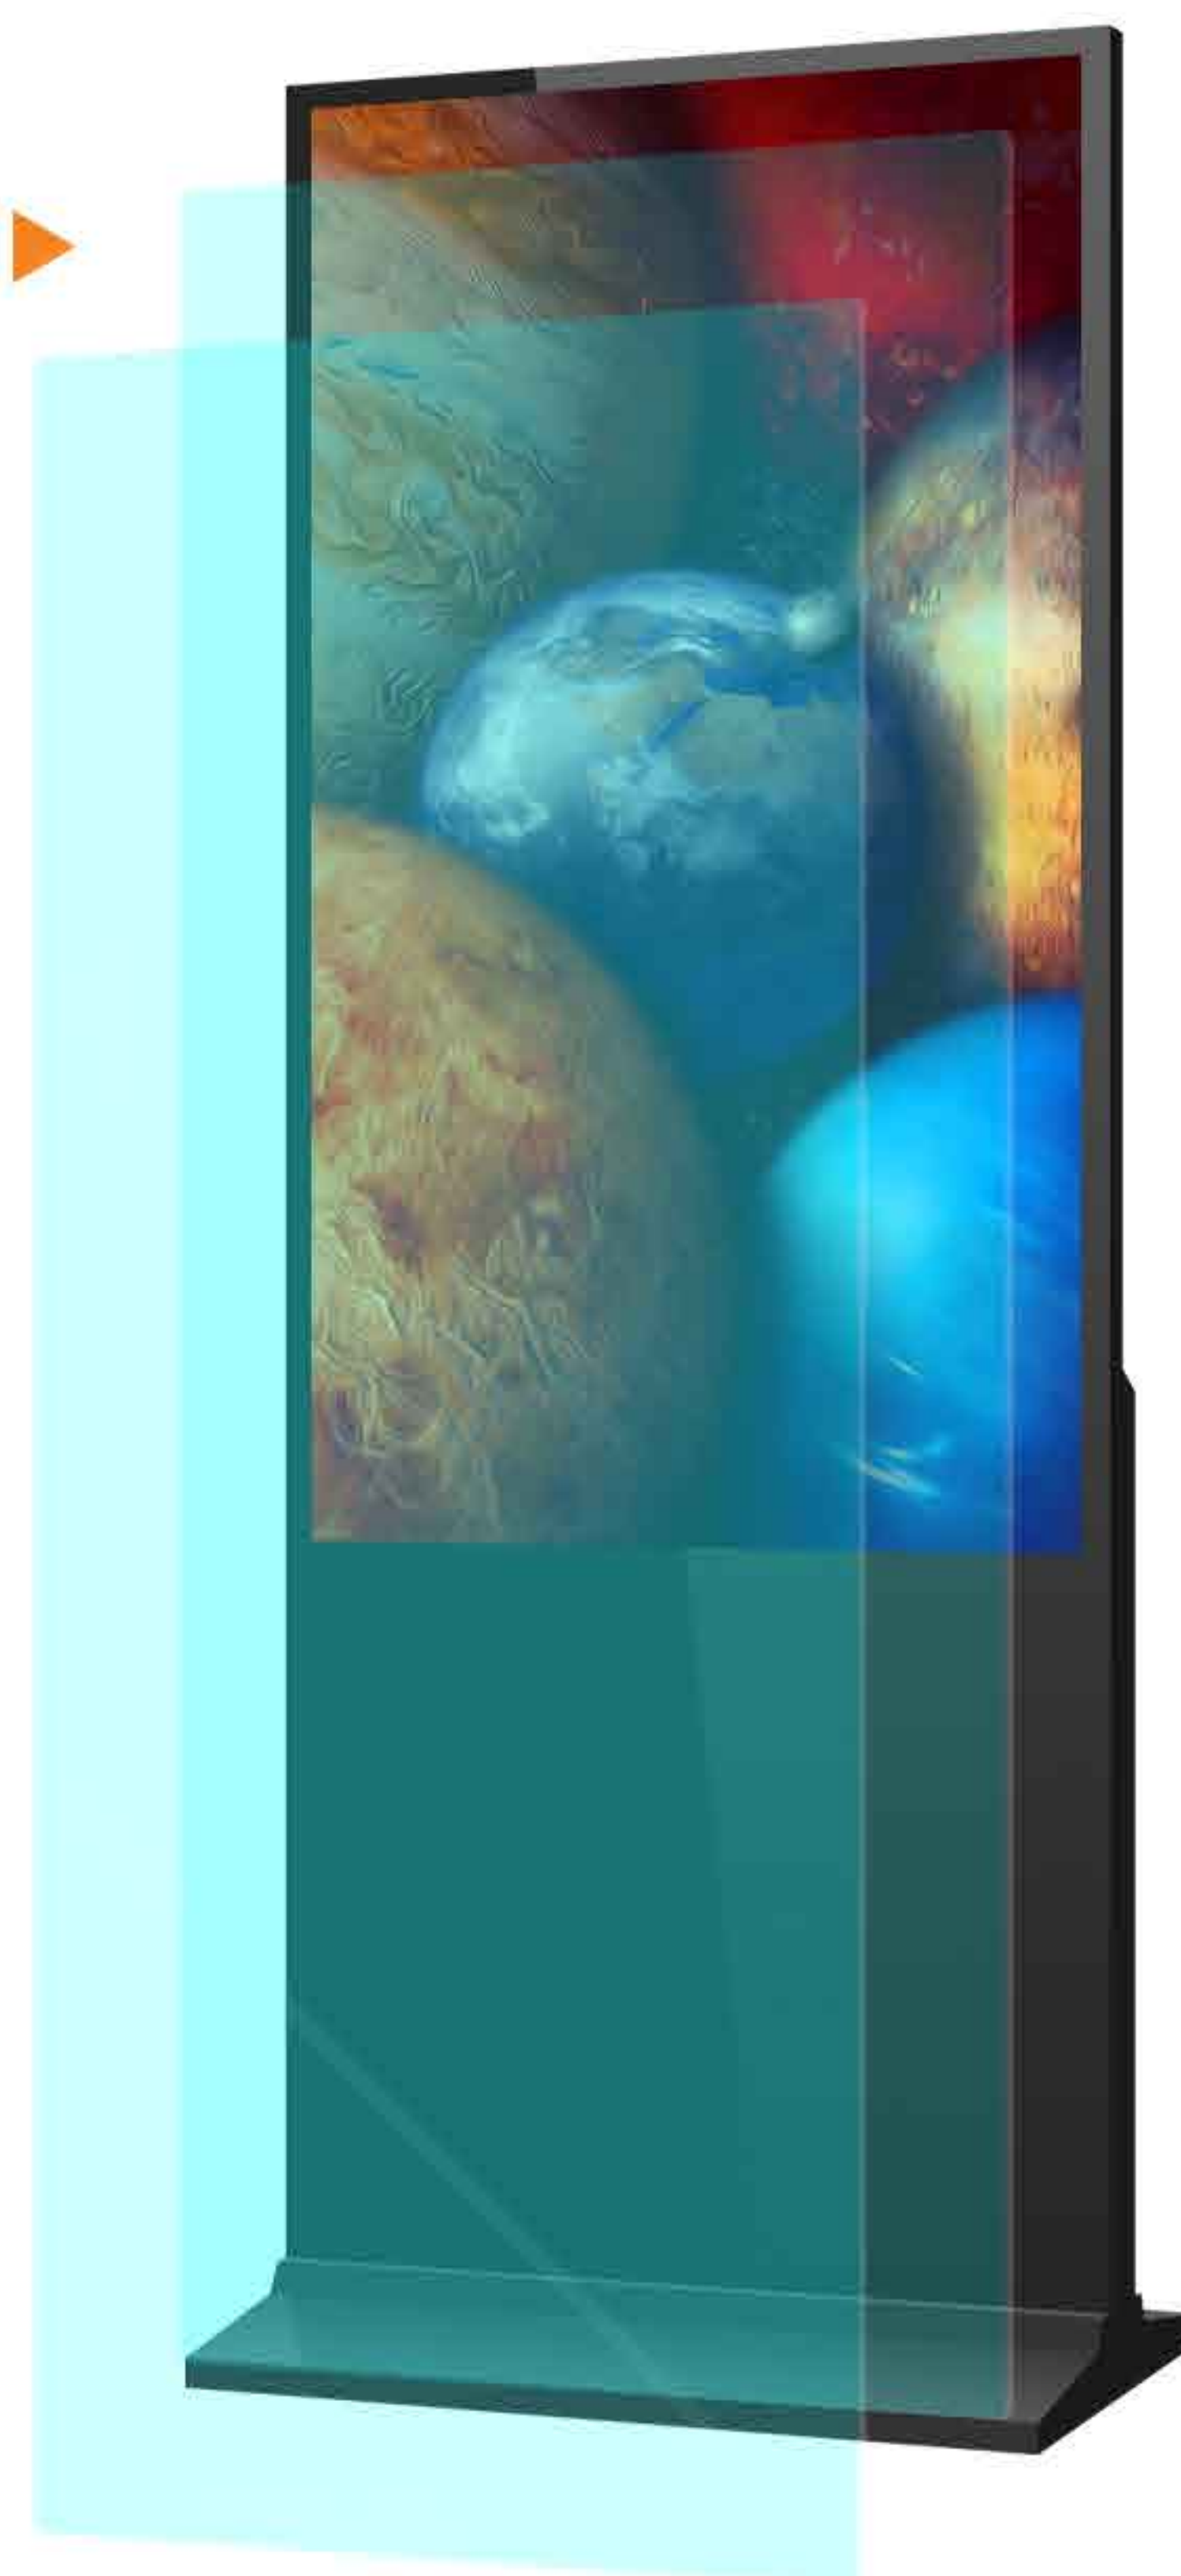

05

Super Clear Picture Quality

Full high-definition screen ▶

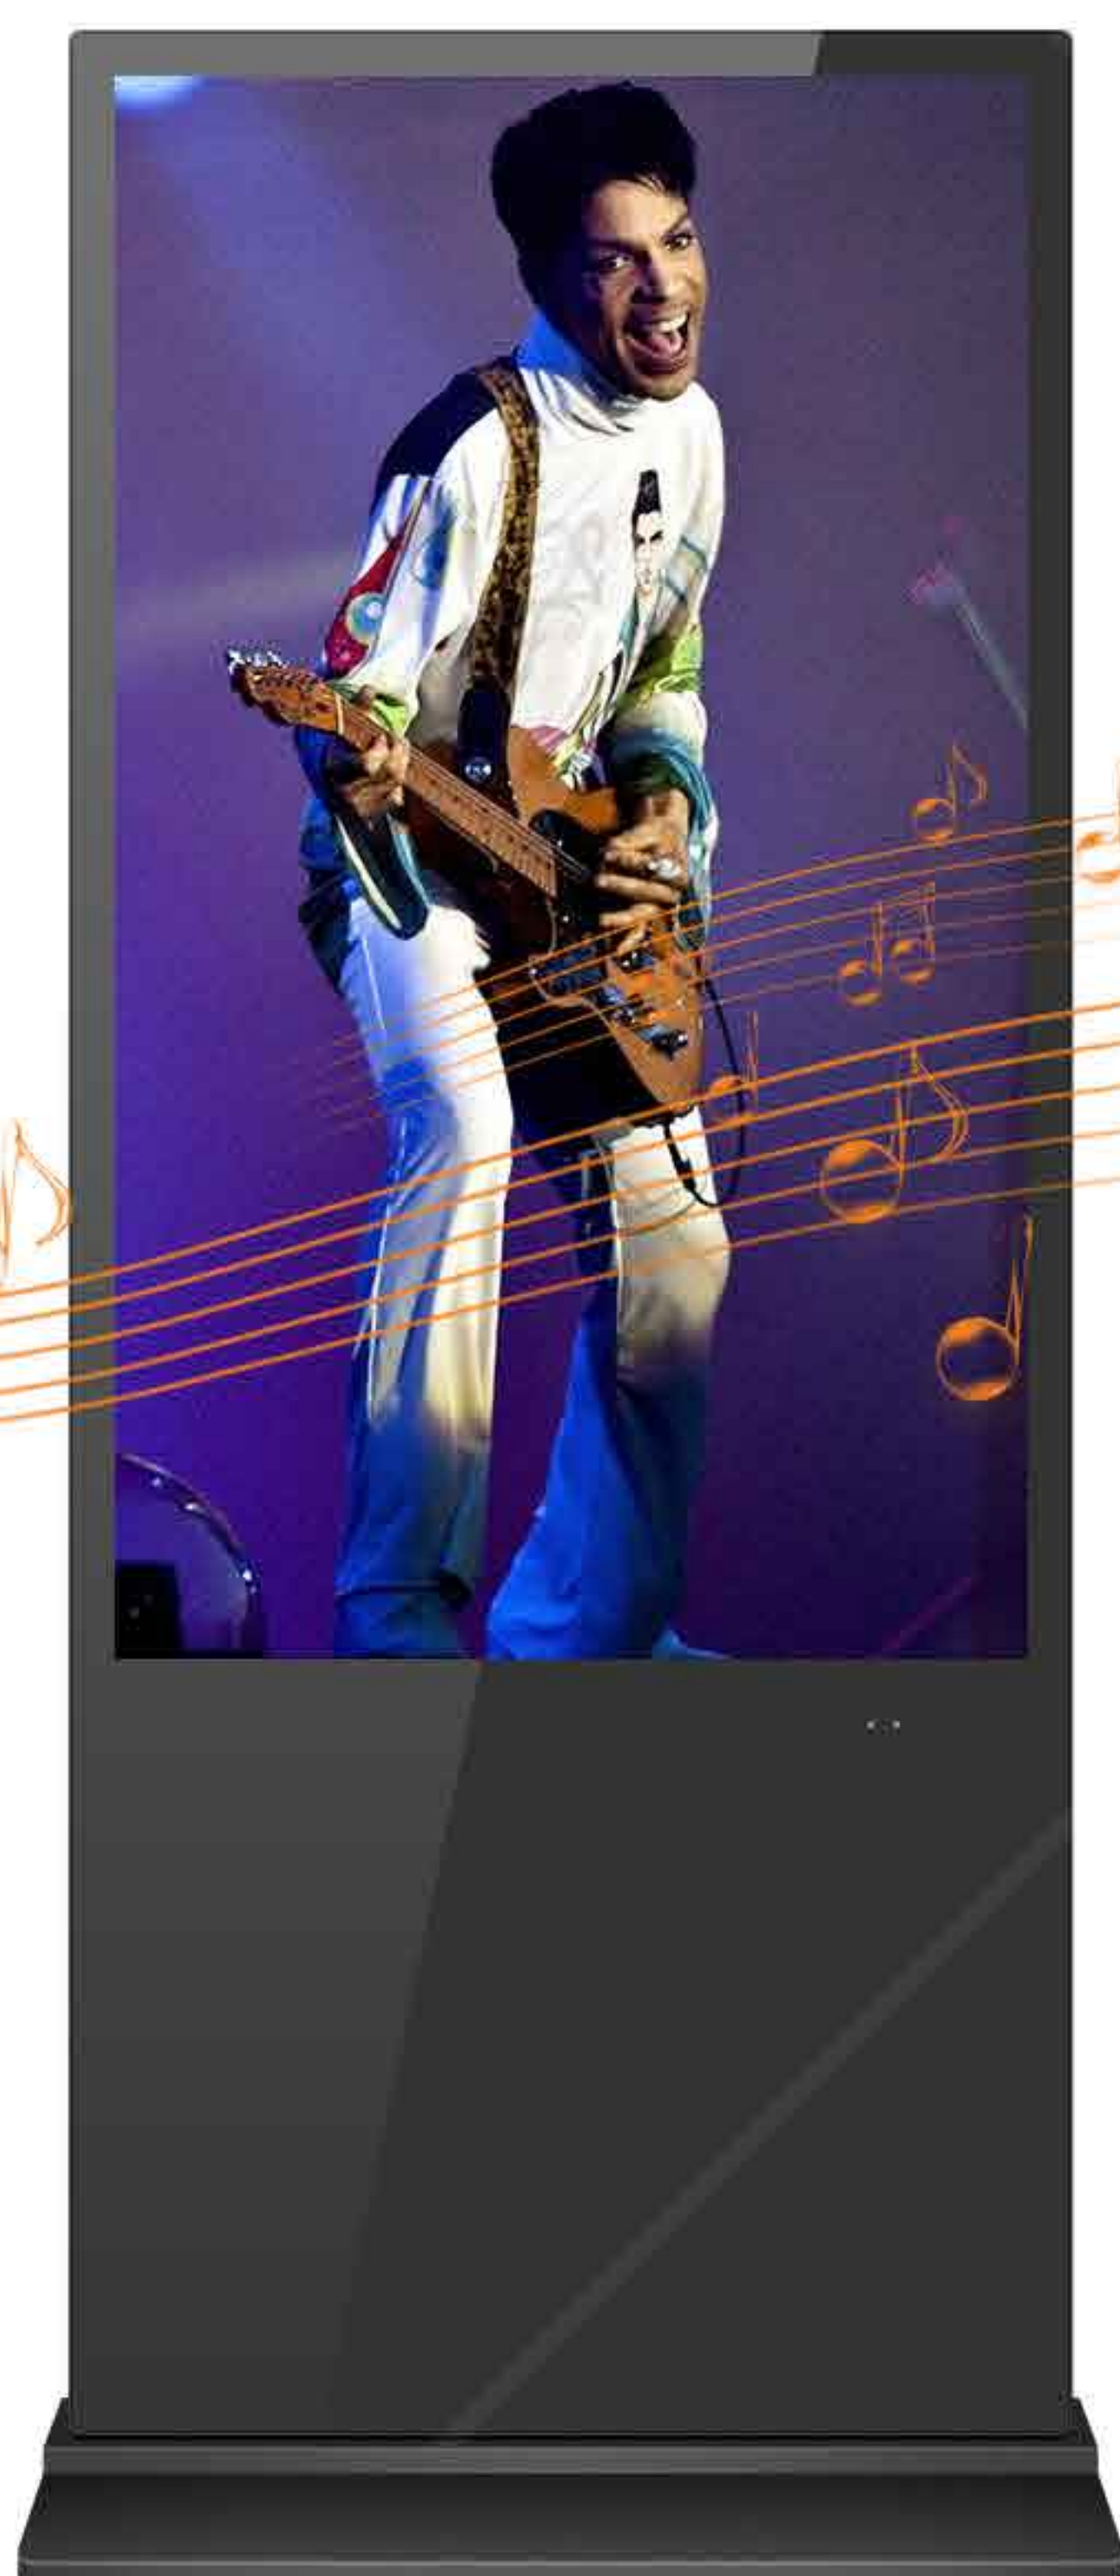

Tempered Glass ▶

Using the A sectional screen, it supports 1080P ultra-clear playback, the picture quality is delicate.

06

Shocking sound effects, new experience

The sound is full and thick, high and high, the bass is shocking, there are layers, no murmurs, no matter the inside and outside of the room, you can bring you a comfortable listening experience.

Dolby Sound Quality

07

Wireless transmission, remote release

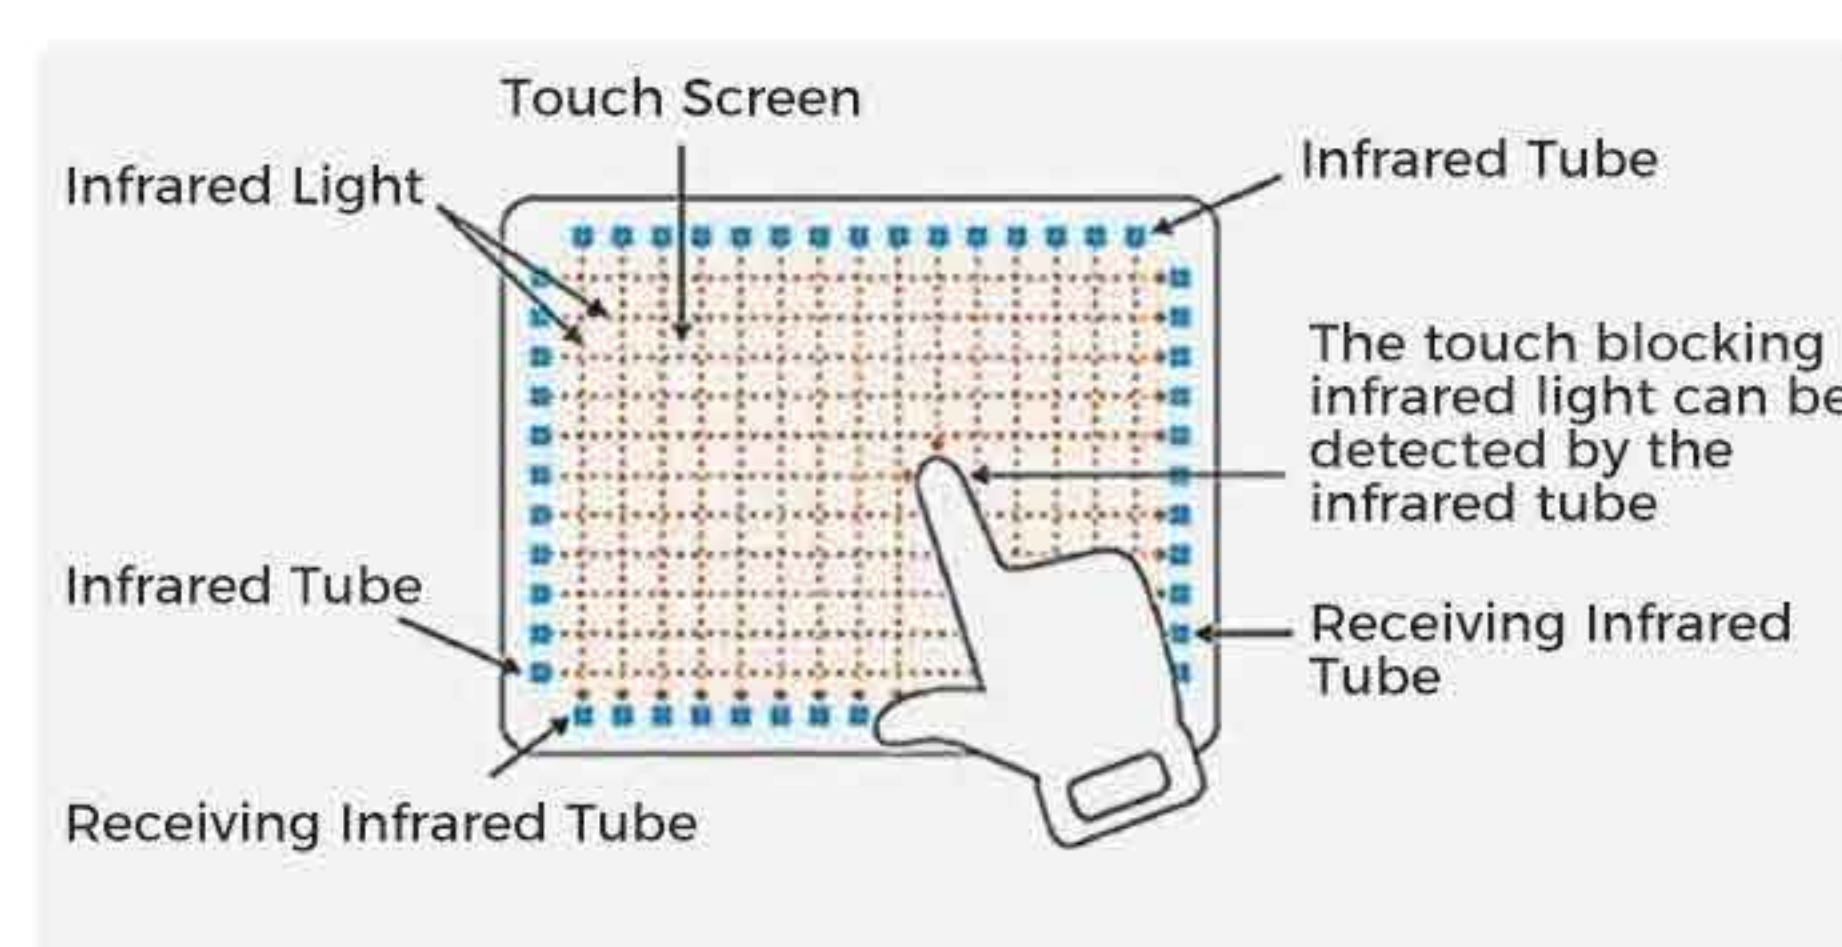

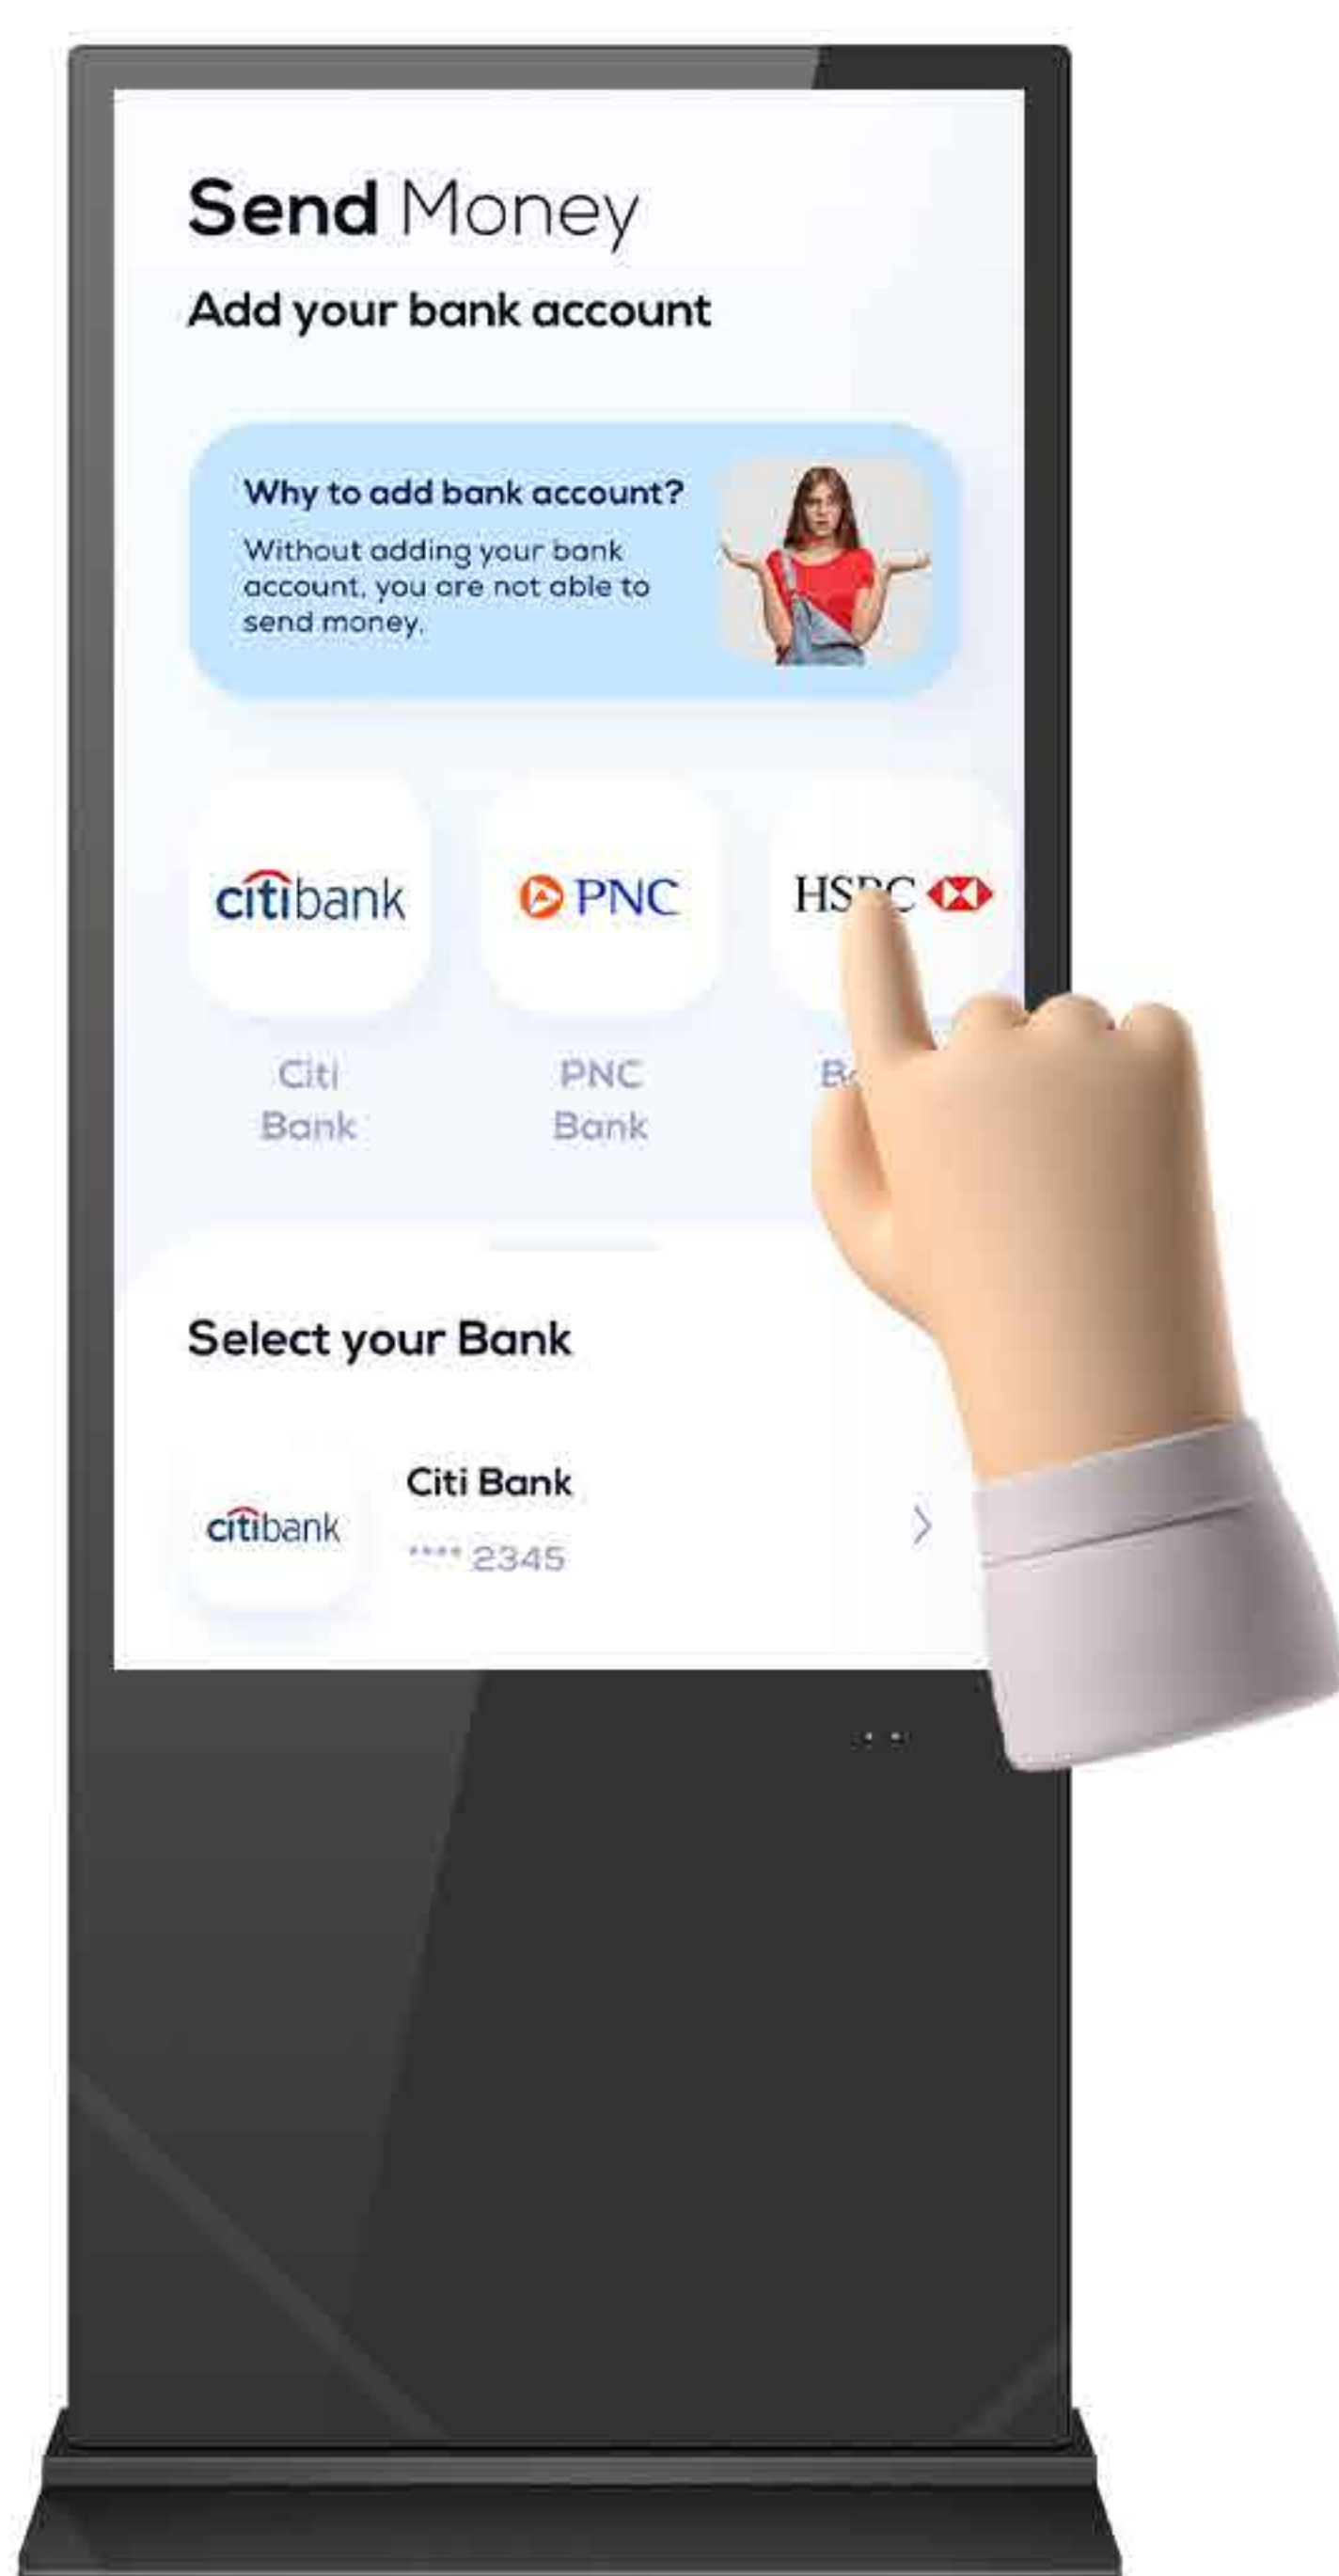

Multi-regional synchronous interconnection, terminal video, picture update and release

08

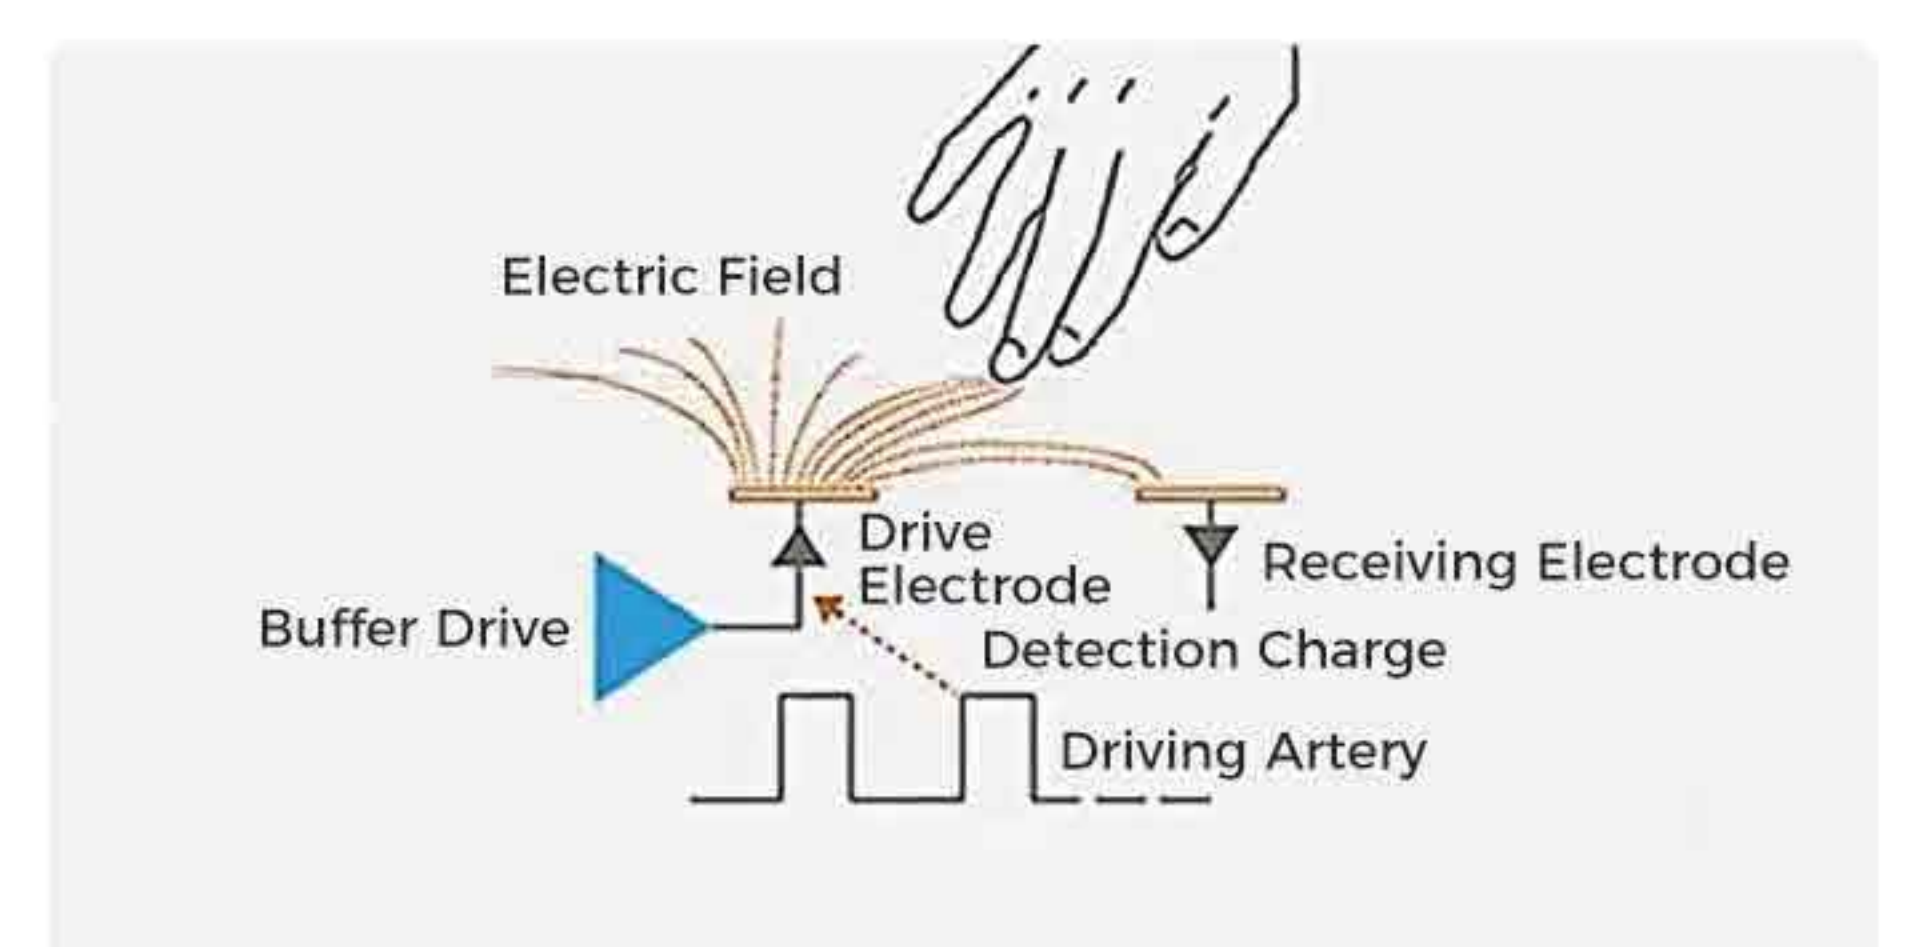

Intelligent Touch Query

The working principle of capacitor touch and infrared touch

Infrared Touch

High accuracy, rapid response of 0.8ms, ten-point touch, white by writing, no dedicated pen, use fault-tolerant design to ensure stability.

Capacitance

The current advanced capacitor technology touch panel is adopted by the current industry, which has higher sensitivity, more accuracy, and has a long life.

09

Long Lifespan

The service life of up to 60,000 hours,
working for 24 hours a day for 24
consecutive hours

60,000 hours of life

24-hour work

10

Green Technology

Do not produce substances that are polluted
by links, low power consumption, energy
saving and environmental protection

Energy-saving

11

Dual System Optional

Windows System

Touch computer, browse web, search consultation

Android System

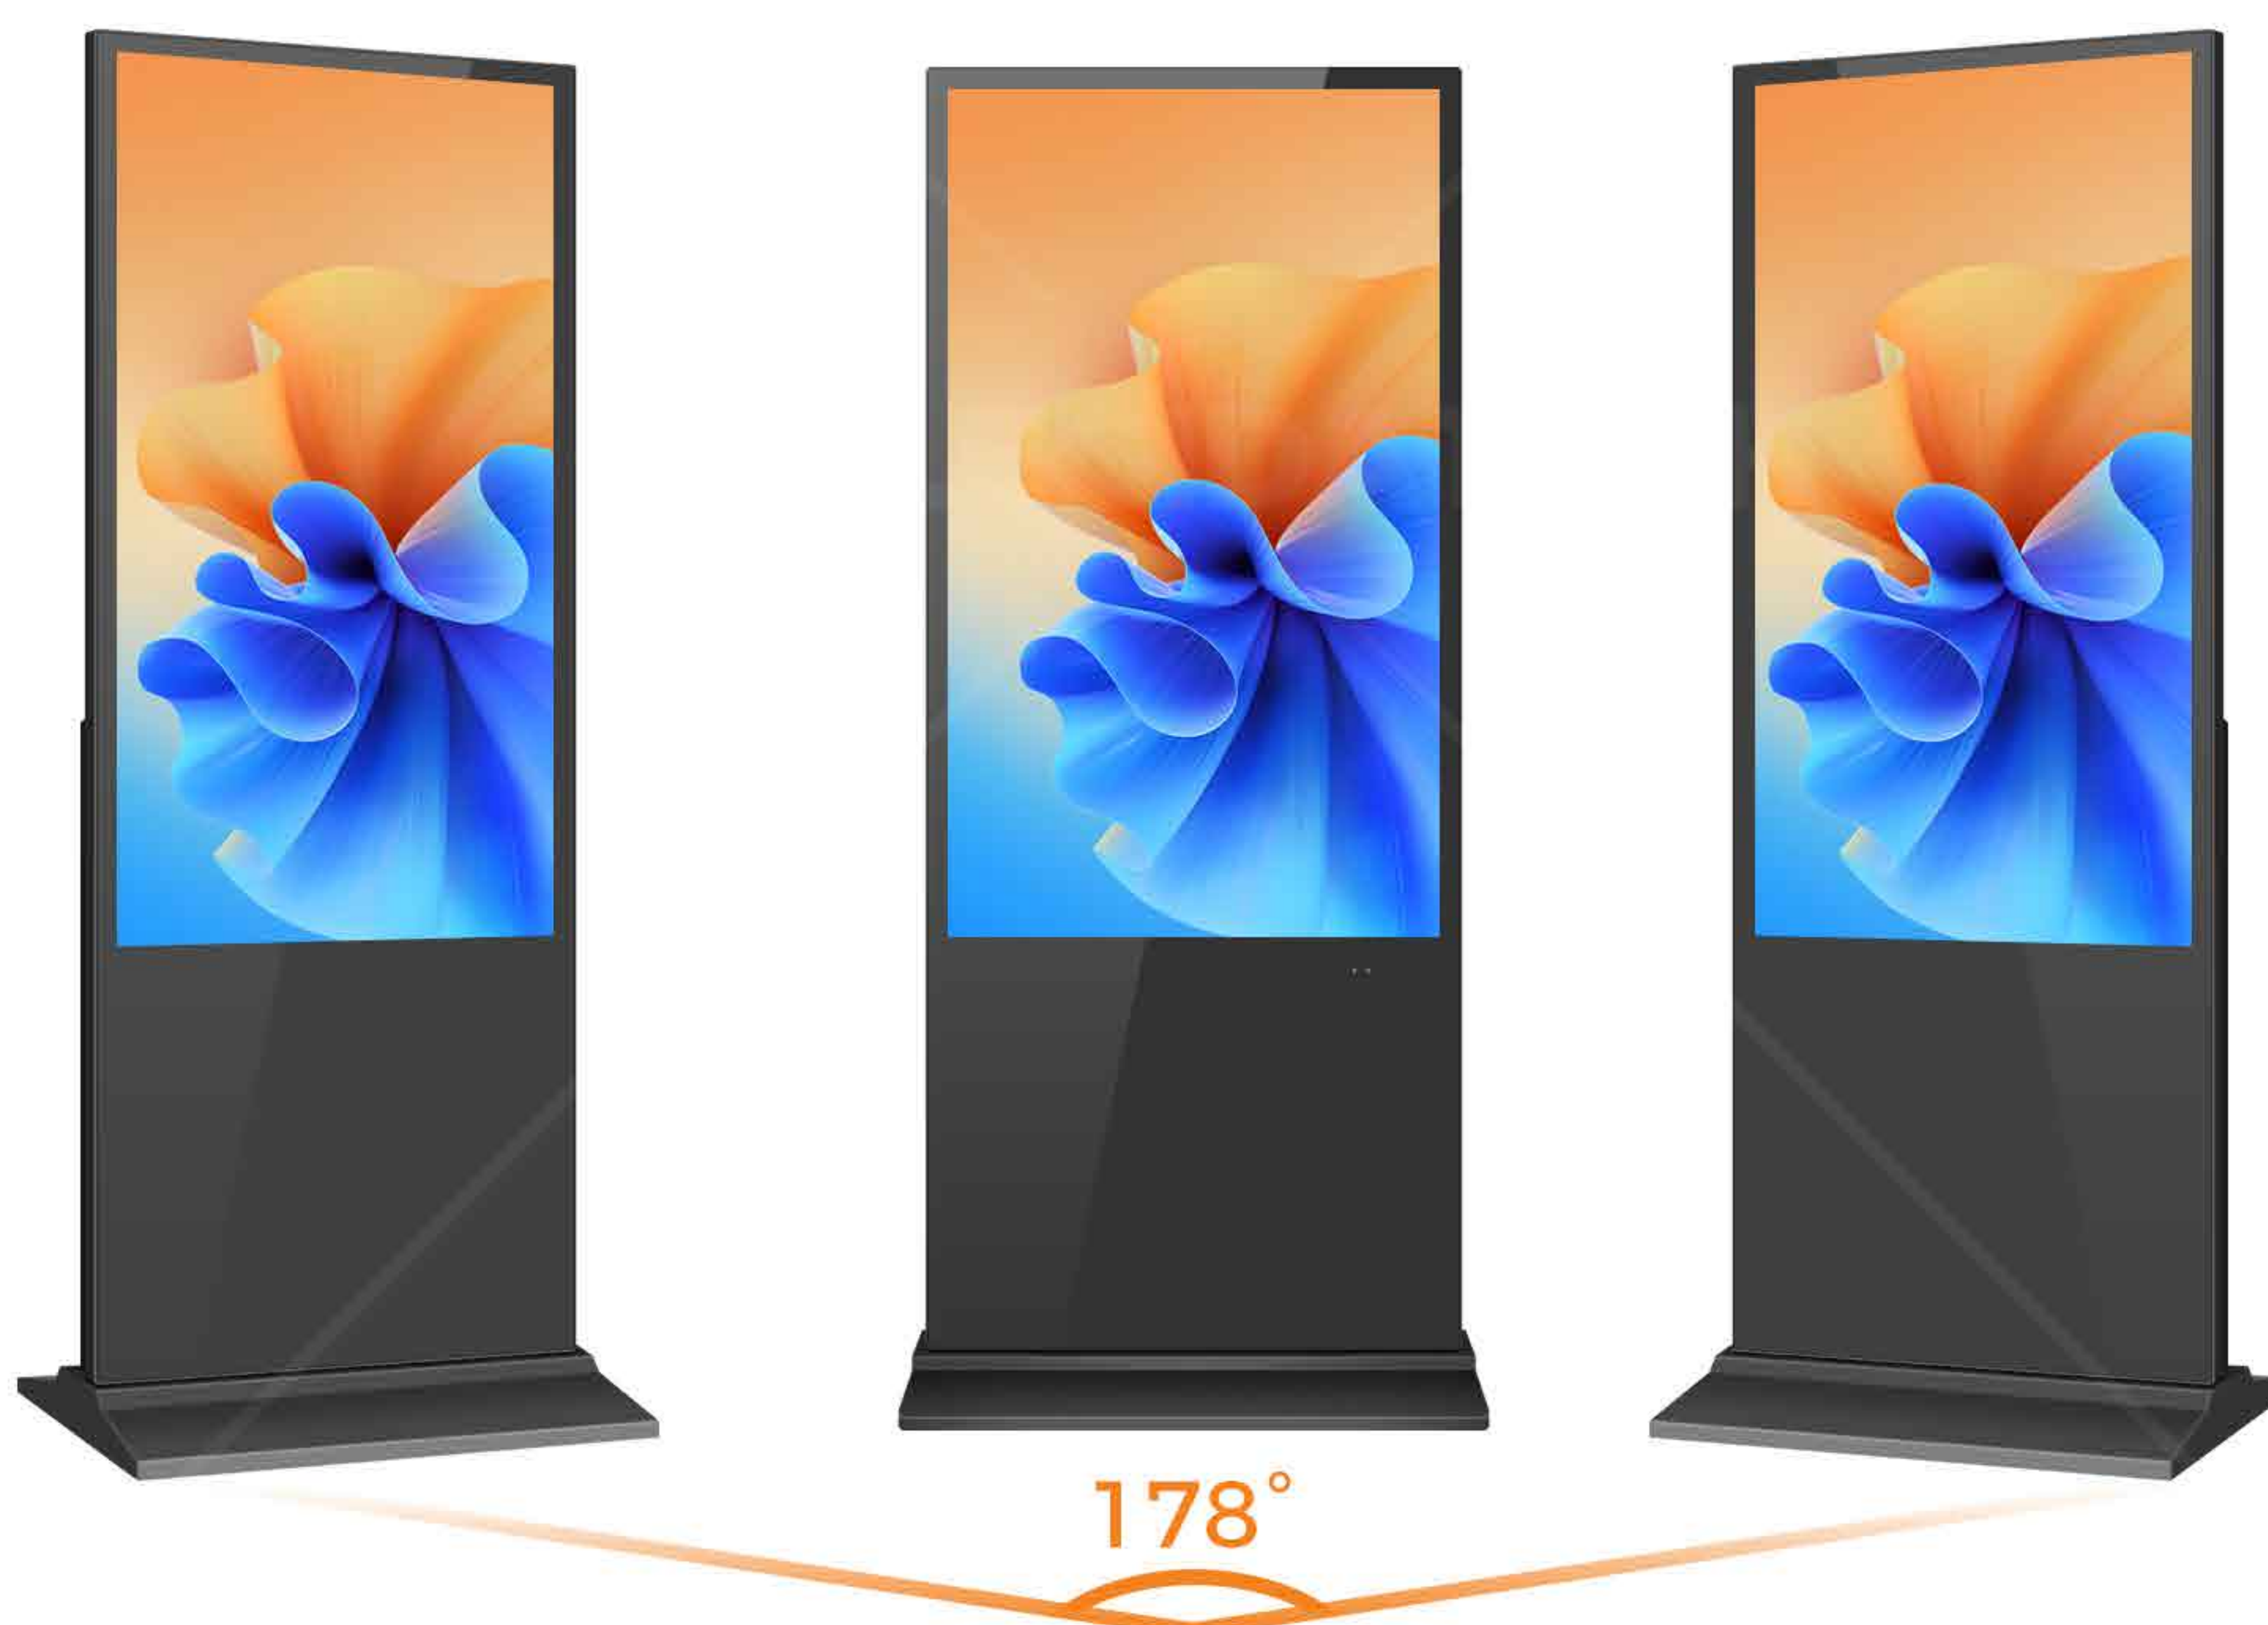

Support Android application download,
APK program software

12

178° Viewing Angle

Vertical and Horizontal Perspectives: $\geq 178^\circ$
